Notice to the Travelers Visiting Nepal

1. All passengers visiting Nepal are required to have a negative RT-PCR or equivalent test report (Gene Xpert/True NAAT) issued by a registered lab with photo-identification, Barcode/QR Code and within 72 hours (from the time of swab collection). The format of the report may be obtained from the Nepali Missions in the country of departure. Minors of age below 5 years are exempted from such test report.
2. All passengers must carry with them the printed receipt with barcode obtained after filling up an online form of Abroad Returnee Management System (ARMS). The form can be obtained at the link: www.ccmc.gov.np.
3. All passengers travelling to Nepal are required to furnish evidence of seven-day hotel booking for quarantine at their own cost in the hotels listed by the Department of Tourism/CCMC. The list of the approved hotels is available at the link: <https://mofa.gov.np/wp-content/uploads/2021/06/Updated-hotel-quarantine-list-by-DOT-8june-1.pdf>. The passengers staying in hotel quarantine are required to take a PCR test on the 7th day of their arrival and if the result is negative, they must continue the quarantine at home for four more days under the monitoring of the concerned local authorities.
4. However, the following passengers are required to stay in self/home quarantine for 10 days upon arrival:
 - i. Passengers with a complete Covid-19 vaccination certificate. Passengers' compliance with the quarantine is subject to monitoring and reporting to CCMC by District COVID-19 Crisis Management Centre (DCCMC) and the local levels.
 - ii. Passengers travelling for emergency purposes (e.g., to attend a funeral) with a recommendation from the concerned local levels or DCCMC and a negative antigen test upon arrival.
 - iii. Incapacitated persons, chronic patients as well as their accompanying attendants (maximum two), persons with disabilities with a recommendation from the concerned hospital and a negative antigen test upon arrival.
 - iv. Senior citizens above 70 years, children under 5 years and their guardians with a negative antigen test upon arrival.
 - v. Diplomats, employees of international agencies and their family members with the recommendation of the concerned local mission/agency.
 - vi. Government employees and security personnel returning home upon the completion of the official duty abroad.
 - vii. Nepali citizens rescued from human trafficking or those stranded abroad and the individuals or the volunteers involved in such rescue operations.
 - viii. Nepali citizens returning home owing to the deportation/release from jails abroad are required to stay in the hotel quarantine as arranged by the Government of Nepal at the recommendation of the relevant Nepali Mission abroad.
5. Passengers' compliance with the quarantine is subject to monitoring by CCMC, DCCMC and the local authorities.
6. The passengers staying in self/home quarantine are required to do RT-PCR Test on the 11th day of their arrival.
7. Nepal Airlines (Nepal), Himalaya Airlines (Nepal), Air India (India), Qatar Airways (Qatar), Jazeera Airways (Kuwait), Turkey Airlines (Turkey), Fly Dubai (UAE), Air Arabia (UAE), Salam (Oman), Malindo Air (Malaysia) have been currently operating international flights from/to Nepal.
8. All the land entry points to Nepal have been closed for the foreigners.
